Handy Towels from Federal Process Remove Grease, Sealants, etc.

[Print](#) [Send](#)

In [March 7, 2007 - Special Edition](#) / [default](#)

Tub-O Towels are tough, efficient, pre-moistened multi-purpose towels featuring an advanced heavy-duty cleaning formula with skin conditioners. Specifically formulated to easily clean any grime under the hood and around the car, Tub-O Towels are manufactured and marketed by Federal Process Corporation. Featuring a fast-cleaning citrus-based formula fortified with glycerin, jojoba, vitamin E and aloe vera skin protectors, these towels easily remove the toughest grime encountered in any automotive or heavy-duty service bay.
